# **MITCHEL BROTEN**

mitchelbroten@utexas.edu | mbroten15.github.io 2515 Pearl St Apt 608 • Austin, TX 78705 • (713) 280-6996

### **EDUCATION**

The University of Texas at Austin

GPA: 3.5

Major: Petroleum Engineering

Minor: Business Foundations

Additional Coursework: Subsurface Machine Learning,

Oil and Gas Law, First-Year Chinese

### **EXPERIENCE**

Pioneer Natural Resources – Reservoir Engineer/Analyst Intern; Irving, TX

Summer 2019

May 2020

- Competitor oil well performance analysis on the Strategic Planning and Field Development team
- Recommended future development strategy based on Exxon trade data and Pioneer internal data
- Presented detailed analysis and findings on key well performance drivers to leadership
- Learned to utilize SQL and Spotfire to access database and analyze data

## Hilcorp Energy Company – Field Engineer Intern; Aguilares, TX

Summer 2018

- Designed saltwater disposal well project(surface facilities and wellbore design) to add \$900,000 in value
- Pilot-tested gas leak detectors to reduce environmental impact and prevent lost revenue
- Gained hands-on experience in oil and gas production, facilities, workovers, and fracture stimulation
- Presented project to CEO and upper management

Rig Automation and Performance Improvement in Drilling (RAPID) – Undergrad Research Assistant

Spring 2019 - Present

- Analyze high frequency drilling data to identify trends to reduce nonproductive time
- Utilize Pandas, Numpy, Matplotlib, and Spotfire for data analysis
- Collaborate with a team of undergrads to combine our code into a useable workflow

### **LEADERSHIP**

# **Society of Petroleum Engineers (SPE) at UT** – *President*

Spring 2019 - Present

- Lead officer team and assist with general meetings, socials, fundraisers, and volunteering events
- Secure partnerships with energy industry to facilitate education and networking for members through internal events
- Facilitate regular meetings with officer team to collaborate and identify deadlines/goals

## **Society of Petroleum Engineers (SPE) at UT** – *Vice President of Internal Affairs*

Spring 2018 - Spring 2019

- Coordinated general meetings, info sessions, lunch and learns, etc.
- Increased meeting attendance by 20% by letting members vote on food choices
- Managed logistics committee to streamline meeting setup

PGE First-Year Mentor Fall 2018 - Present

- Mentor 8 students to assist in the transition to college life and coursework
- Inform students of engineering resources and networking events
- Led students in a 3D printing project

# **ACTIVITIES**

**Website** – *mbroten15.github.io* 

Spring 2019 - Present

- Utilize HTML, JavaScript, CSS, and Python for web development
- Write articles about business, engineering, and statistics to share knowledge with others

#### **AWARDS**

Raymond V. Cruce Endowed Scholarship in Petroleum Engineering Hilcorp Departmental Scholarship

## **ADDITIONAL INFORMATION**

Skills: Spotfire, Python, SQL, Chinese (Basic Proficiency)
